

MEDIA ADVISORY – AIRPORT EMERGENCY EXERCISE

Release Date: Wednesday, November 16, 2016

The Red Deer Regional Airport Authority will be conducting an emergency exercise on Saturday, November 19th from 1:00pm - 4:00pm on airport property. The exercise will involve participation from first responders such as Red Deer County Fire Services, RCMP, Alberta Health Services, as well as various partners from the airport community.

Members of the general public will likely see emergency vehicles and activity on or near the airfield, but should not be alarmed as this is only an exercise.

Should you have any questions with the above statement, please contact Kayla Thorsen, Marketing and Communications Manager at the Red Deer Airport at 403-886-4388.

Thank you for your cooperation in this matter.
